The annual Lydia Ann Fly Masters Tournament was created to:

- Bring skilled fly fishing anglers together from all over the State of Texas
- Have fun, and compete for prizes and awards
- Raise every dollar possible to support Casting for Recovery

Our goal is to create the Premier Fly Fishing, Catch and Release tournament for the Texas Coast, which is fair, fun and open to everybody. Each year a Charitable Organization will be chosen to receive a donation check from all of the tournament proceeds. The tournament has been a great success, with the first four events raising over \$22,000 for Casting for Recovery! We look forward to watching the tournament get better each year and hope to see as many anglers as possible at the tournament to support Casting for Recovery's wonderful cause.
